Funding Application

Tutoring sessions are 50 minutes in length and occur twice per week. Groups are composed of 2 to 5 students plus your tutor. The group tutoring charge is \$5.00 per session. In addition, there is a \$5.00 per semester administrative fee charged. Sessions in addition to your regularly scheduled sessions (extra sessions) are also charged and may not be covered by your funding source. All tutoring charges are applied directly to your U-Bill unless you receive funding from a funding source. You must withdraw from tutoring on your tutee profile to stop charges and remove your request.
